PATIO DOOR INSULATED GLASS UNITS

All insulated glass is warranted against failure of the air seal for a period of five years from date of manufacture. Should there be a failure of the air seal within the warranty period, W.E.H. shall supply either the replacement insulated glass or a complete door panel or sash at its option, to the original point of delivery. W.E.H. Supply cannot under any circumstances be responsible for installation, repainting, refinishing or other similar activities necessary to complete the replacement.

W.E.H. reserves the right to have any unit alleged as defective inspected by a W.E.H. representative and returned to the factory. W.E.H. must be notified prior to the beginning of any repair work, and within the warranty period.

This warranty shall not apply to:

- units sold or installed outside the U.S.A. or Canada
- units not install in compliance with installation instructions
- units damaged in handling or installation
- units subjected to abnormal stress, excessive heat or vibrations

Condensation forming on inside of house is NOT a defect in the insulated glass unit, but a sign of excessive humidity. Cracked or broken glass is not covered by this warranty

RoyalPlast patio doors are delivered with a limited warranty: 20 years on PVC/ 1 year on operation
